ARNGIBBON

FARM SHORTHORN DISPERSION SALE

ARNGIBBON FARM – Janesville, Wisconsin
Saturday, June 17, 1961

Cover Picture . . .

Seen on our cover is a small part of the Arngibbon Short-horn herd. This is a good quality, hard working herd in the peak of production.

This winner was bred at Arngibbon . . .

At left we see, left to right, E. R. Hauser, in charge of beef cattle at the University of Wisconsin; R. K. Froker, dean of the college of agriculture; E. H. Hoch, herdsman. . . The steer, Arngibbon Royal, was bred at Arngibbon and placed first in class at the 1952 International.

80 HEAD

4 Bulls

Included in this dispersion are two tried sires . . . Hickories Budget by Louada Fearless and Hickories Document by Almahurst Billionaire. Their calves will testify as to their breeding ability. Also offering two young, soggy bulls for our small breeder trade.

55 Females

An excellent working herd. Twenty-three of the females sell bred. Eighteen cows sell with calves and approximately half of these are rebred. Fourteen excellent open heifers. These cows carry no special fitting. They are excellent milkers and have produced top calves for us.

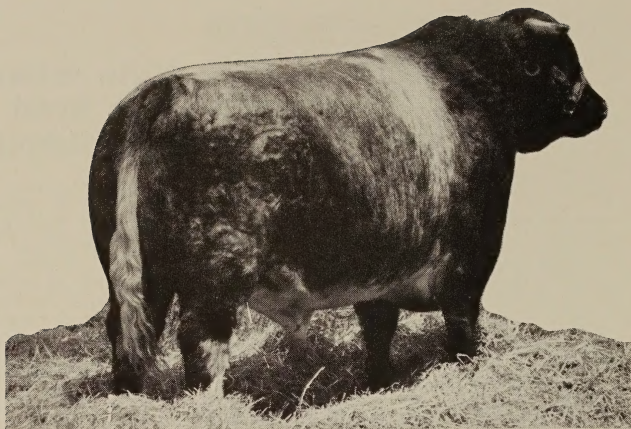

Club Calves

Some of the calves will be sold separately to accomodate 4-H and FFA members interested in project calves. Study our show record on page 3.

Arngibbon Farm Dispersion

TO BE HELD AT THE FARM EAST OF JANESVILLE, WIS.

On Saturday, June 17th

Above we see a bull that made history in the Arngibbon herd 24 years ago. He is Reserve Grand Marshall, grand champion at the 1937 Minnesota State Fair and first-prize summer yearling at the 1937 International. This blood is no longer a factor in this herd but this picture emphasizes the fact that all through its history, Arngibbon has used the best sires it could afford to breed better Shorthorns.

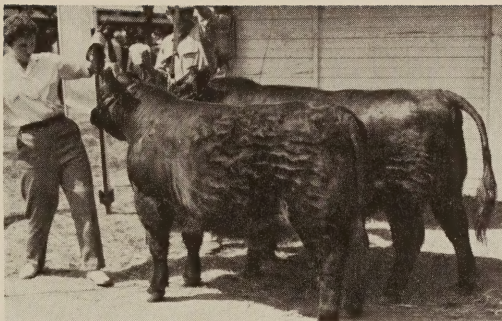

Shorthorns Since 1896

Arngibbon has always been a livestock farm. Shorthorns have played a leading role in this program ever since 1896. McLay Bros. were nationally known for their quality Clydesdale horses and Shorthorns.

In recent years, the progress of Arngibbon Shorthorns has been directed by Russ Ullius. Then, as now, scale and substance, combined with ever-improving quality has been the Arngibbon goal for its Shorthorns. Cattle always have been maintained as "working" units. They have never been pampered. Unless a cow was a regular producer of quality calves, she soon found her way to the stock yards. Arngibbon Shorthorns have worked wide improvement and are a great testimonial as to the practicality of a Shorthorn herd as a profitable way of life.

Those who have bought Arngibbon Shorthorns in the past, and those who buy in this sale, are assured of buying "profit-making" cattle.

At right we see Susan Ullius at the halter of her 1960 Rock County grand champion interbreed Shorthorn steer. The other Arngibbon steer stood second in class to the champion in a close decision.

Our Show Record

Because of the labor situation and our extensive farming and livestock program, Arngibbon has limited its show activities in recent years to junior shows. However, we are extremely proud of that record, carried below, and we believe that our winnings are proof that we are raising the kind demanded by modern improvers.

1952 University of Wisconsin exhibited an Arngibbon steer to the heavy-weight championship at the International.

Robert Milliken, exhibited an Arngibbon steer to the reserve interbreed championship at the Madison Junior Live Stock Show, grand championship over all breeds at the Rock County Fair and to sixth in class, junior division, at the International.

1957 Jean McLay had the champion Shorthorn female at the Rock County 4-H Fair.

1958 Susan Ullius exhibited the champion Shorthorn female at the Rock County 4-H Fair, biggest junior fair in the entire Midwest.

1959 Arngibbon bred the reserve interbreed champion steer at the Freeport Junior Show.

1960 Susan Ullius exhibited the grand champion Shorthorn steer over all breeds at the Rock County Fair. An April 15th yearling he weighed 935 pounds and brought 55½ cents a pound, selling to Woodman's Grocery, Janesville. 75 steers were shown.

Norman Schultz, Janesville, stood second in class to Susan's champion with another Arngibbon-bred steer that weighed 1,093 pounds.

The Bonkoskis of Elgin, Ill., exhibited an Arngibbon-bred steer to the reserve championship over all breeds at the Elgin Junior Show.

General Information

TIME—Sale will be held Saturday, June 17th, and will start at 1:00 p.m. Daylight Saving Time.

LOCATION—This sale will be held at Arngibbon Farm located east of Janesville. Those coming from north and west take Highway 14 to County Trunk MM, directly east of Janesville, then go five miles east. Those coming from east on 14 turn north at Emerald Grove, go to County Trunk MM, and one-quarter mile west.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with Arngibbon and the sale manager is notified of the arrangements. Settlements are to be made with the clerk at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

GUARANTEE—All registered cattle in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Association.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk, and sale manager have been employed by Arngibbon for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability, legal or otherwise, for the buying contract or for any accident. Every effort will be provided for the comfort and safety of those attending this sale, but Arngibbon assumes no liability for injuries that may occur. Statements from the block will take precedence over information given in the catalog.

HEALTH—The Arngibbon Herd is federally accredited free for TB and Bang's.

REGISTRATION CERTIFICATE—A certificate of registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for registry, properly signed, will be furnished with each calf sold beside its dam and for each unborn calf sold in dam.

AUCTIONEERS—Dick Kane, Wisner, Nebr.; Roy Wagener, Bellevue, Iowa; Dean George, Evansville, Wis.

SALE MANAGER—Bill Stunkel, The Shorthorn World, 16 South Locust Street, Aurora, Ill.

LUNCH—Will be served on the grounds.

LATE BIDS—Phone Bill Stunkel, Russ Ullius or any of the auctioneers on sale day at Janesville, Pleasant 2-1202.

HOTELS AND MOTELS—The sale manager will be happy to make reservations for you. There are plenty of excellent hotels and motels in the Janesville area.

This bull is the Arngibbon-bred NF Freebooter. The heifer in front is a daughter of this bull and was a champion at the Iowa State Fair. This bull was used successfully by John Griffin, Paton, Iowa, and is now in service in the McCracken Farms herd at Forestburg, S.D.

Welcome to Arngibbon

WE HOPE you will join us on June 17th. These cattle are offered in their working clothes and are ready to continue their dependable production records for you, as they have for us. Arngibbon has great faith in the Shorthorn business. We will continue to maintain a 4-H herd for our daughters. However, our livestock program and the labor situation makes it necessary that we cut back our Shorthorn herd until we can modernize our physical facilities for handling registered cattle in conjunction with our large hog operation. We felt it best to disperse our entire herd, rather than sell all but our best. When you see the cows and the calves at side of their dams, I think you'll agree this is a productive, quality offering. Mark the sale date on **your** calendar and plan to be with us June 17th.

—Russ Ullius
Arngibbon Farm

Aldie Mainliner, one of the most famous sires of the past quarter century. Clover Mainliner, sire of 14 cows in this sale, is a son. Thirteen granddaughters and two grandsons of Clover Mainliner are selling.

LOT 1, HICKORIES BUDGET—The calves in this sale are a fine testimonial as to the breeding ability of this big, sound, red bull. His sire is the noted Louada Fearless, a bull that has made a great record in The Hickories herd. His dam is a full sister to the dam of Village Maid 223, supreme champion female at this year's Wisconsin Mid-Winter Futurity.

PAGE SEVEN

Hickories Document . . .

LOT 18, ARNGIBBON ARDITH — Pasture bred in October to Hickories Document. Two daughters sell in this sale as Lots 44 and 58. The Lavenders have been one of our favorite families.

PAGE NINETEEN

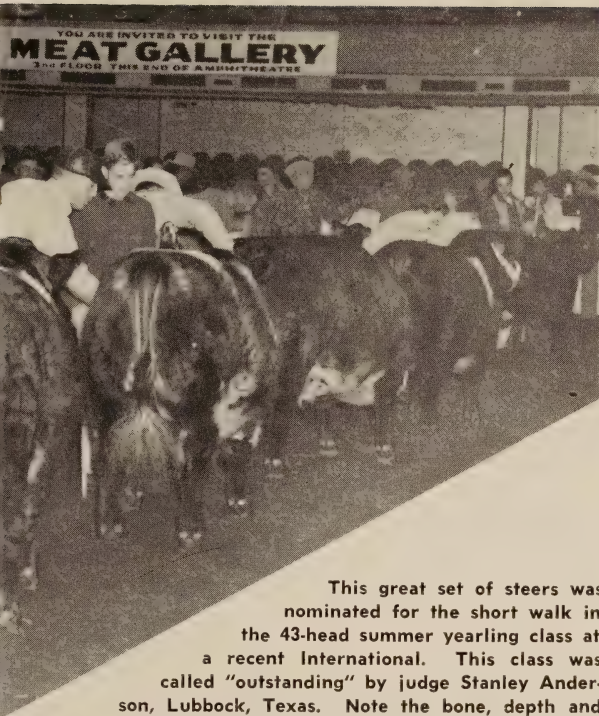

Why Buy Shorthorns?

Superior Gaining Ability . . . Shorthorns scored the highest average gain for eight straight years in the large Front Royal tests. They have topped the Kentucky Performance Tests in every category for two straight years.

More Valuable Calf Crops . . . A summary of 30 Virginia feeder sales last year showed that Shorthorns outweighed, outsold and outgrossed other breeds. The Shorthorn advantage was \$10.67 for every calf.

More Lean Cuts . . . The large Indianapolis Carcass Contest proved, in comparing lightweight carcasses, that the Shorthorn carcass was worth \$30.68 per cwt., the Angus \$29.93 and Hereford \$29.91.

This great set of steers was nominated for the short walk in the 43-head summer yearling class at a recent International. This class was called "outstanding" by judge Stanley Anderson, Lubbock, Texas. Note the bone, depth and thickness of these steers.

Why Buy Shorthorns Now?

Because of the growing demand for Shorthorn bulls, cows, club calves and feeder calves, it is an especially opportune time to start or expand your Shorthorn herd.

Dr. A. L. Neumann, head of the University of Illinois beef cattle division states that the trend to beef cows will increase. He explains that new feedlots, increased size of present feedlots and switch-overs from cow herds to feeding operations have made feeder cattle scarce. To supply this big demand will necessitate more and bigger beef cow herds. Much of this expansion must come in the Midwest as traditional range areas are already operating at capacity.

Need Club Calves?

Then inspect the 18 calves that sell in this sale.
Many of these will make ideal club projects.
Better yet, buy any one of the many cow-calf
combinations, and start your own Shorthorn herd.

Buy your Shorthorns in Wisconsin where you get more for your money. Wisconsin Shorthorns are nationally known for their dependable performance.

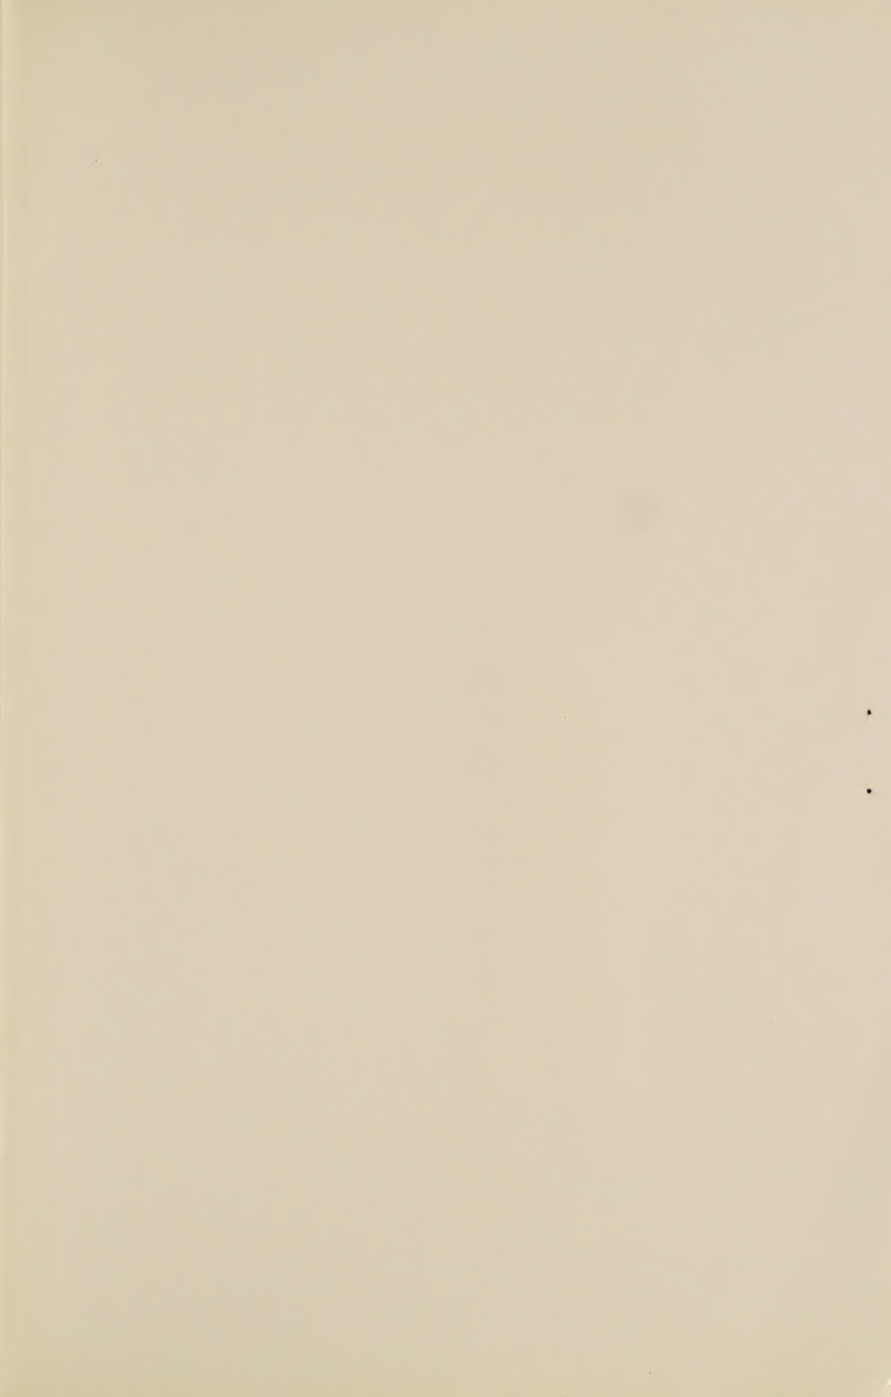

STANDARD GUARANTEE

endorsed by the

AMERICAN SHORTHORN ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for calves at side or unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

INQUIRIES ABOUT CATTLE LISTED—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animal listed in this catalog. Such correspondence should be addressed to Bill Stunkel, Sale Manager, 16 S. Locust St., Aurora, Illinois.
